Provison for parking place, rental car or taxi parking place and bus parking place

3. (1) The President is hereby providing that provision—

(*a*) the road, along the road or the place specified in column (2) of the First Schedule shall be parking place for motor vehicle except rental car or taxi parking place or bus parking place;

(*b*) the road, parallel road or place specified in column (2) of the Second Schedule shall be rental car or taxi parking place; and

(*c*) the place specified in column (2) of the Third Schedule shall be bus parking place or area for parking bus,

and the provisions of this Order shall apply thereto.

(2) The Council may hereby provide for parking place on any land, building, road or any part of the road, lane or back lane within the administrative jurisdiction of the Council for the parking place purposes.

(3) In relation to rental car or taxi and bus using the rental car or taxi parking place and bus parking place shall be subject to such conditions as deemed appropriate by the Council and anyone using such places shall comply with the conditions imposed.

No parking of motor vehicle except in the parking place

4. No person shall park a motor vehicle, caused, allowed any motor vehicle to be parked or waiting on any land, building, road or any part of the road except in the parking space at the parking place provided by the Council.

Compliance of condition

5. Any person who parks motor vehicle in the parking space at the parking place shall comply with any conditions imposed by the Council for the use of such parking place.

Types of parking place system

6. In providing for parking place, the Council shall have the discretion to determine and implement the types of parking systems including coupon parking system, smart parking mobile application system, controlled parking place or any other form of system that is used by the Council to park motor vehicle in the parking space at the parking place which is deemed suitable and the manner in which it is to be managed and the driver or owner of the motor vehicle shall comply with the implementation made by the Council.

Parking spaces

7. (1) A parking place may be divided into several parking space and for the purpose of determining the parking spaces, the President shall direct that each parking space to be indicated by painted lines, inlays, signs or other signs.

(2) A signboard or notice board shall be erected in the parking place and shall be placed or displayed thereon a notice stating any substance of this Order.

Mode of parking motor vehicle

8. (1) Any person who parks motor vehicle in the parking space provided by the Council shall park the motor vehicle in the following manner–

(*a*) the position of the motor vehicle shall be parked entirely in the parking space;

(*b*) the motor vehicle shall be parked in the determined direction of the traffic;

(*c*) the motor vehicle shall comply all the traffic signals indicated in the parking place;

(*d*) the driver of motor vehicle shall ensure the condition of motor vehicle does not move and stop once the vehicle is parked in a parking space; and

(*e*) the motor vehicle shall not obstruct of the line of parking space that has been marked.

(2) Where any motor vehicle parked in a parking space contravenes suborder (1), any Enforcement Assistant or parking operator or traffic warden or any authorized officer by the President or any uniformed police officer may remove or cause to be removed the motor vehicle so that its position complies with suborder (1) and the driver or the owner of the motor vehicle shall comply with any lawful instructions given by the Enforcement Assistant or parking operator or traffic warden or authorized officer or uniformed police officer.

Prohibition of parking motor vehicle without payment of prescribed charge

9. (1) No person shall park any motor vehicle in a parking space at the parking place without making payment to the prescribed parking charge specified in column (4) of the First Schedule within the controlled hours in column (6) of the First Schedule.

(2) Any person who does not pay the prescribed parking charge as determined by the Council commits an offence.

Presumption

10. For the purpose of any proceedings under this Order, any person who fails to submit proof of payment of the prescribed parking charge for the period of the motor vehicle is parked in the parking space shall be presumed, until proven otherwise to have parked his motor vehicle in the parking space without paying the prescribed charge and commited an offence.

Prohibition against parking of motorcycle in parking space

11. (1) No person shall park any motorcycle in a parking space other than in the motorcycle parking place that have been provided by the Council.

(2) If any motorcycle are parked in a parking space, then—

(*a*) the President or Enforcement Assistant or traffic warden or any Council officer authorized by the Minister may at his discretion compound the offence committed by obtaining a fee not exceeding the fee specified under suborder 55(7);

(*b*) the Enforcement Assistant or traffic warden or any Council officer authorized by the President may remove and detain the motorcycle, and the owner may claim the motorcycle within twenty-one (21) days from the date of the removal and detention from the President after paying to the Council all the payments and any expenses incurred by the Council for the removal and detention.

(3) The President shall not be liable for any damage that occurred to the motorcycle during its removal and while in the President's custody.

Appointment of Enforcement Assistant, warden traffic and parking operator

12. (1) The Council may appoint one or more Enforcement Assistant or warden traffic to be on duty at any parking place.

(2) The Council may appoint any parking operator to regulate and manage implementation of parking place provided by the Council as may be considered necessary or expedient for the purpose of this Order.

(3) The Council may appoint any parking operator to provide application system and/or supply equipment and software application for implementing smart parking mobile application as deemed necessary and expedient for the purpose of this Order.

(4) For the purpose of this Order, the "parking operator" means any person, company or firm appointed by the Council through any agreement made by the Council with the parking operator to carry out duties as specified under suborders (2) and (3).

Provisions and conditions to be abided

13. (1) Any person who parks a motor vehicle in any parking space at the parking place shall abide such provisions and conditions as determined by the Council in relation for the use of the said parking place.

(2) It shall be an offence to parks a vehicle which is not a motor vehicle at any parking space in the parking place.

(3) Any person who parks a motor vehicle at a seasonal parking space or temporary parking space shall abide by such provisions and conditions determined by the Council in relation for the use of the seasonal parking space or temporary parking space.

(4) Any person who parks a motor vehicle at a parking space using coupon parking system shall display parking coupon issued by the Council or the operating company on the dashboard of the motor vehicle and the parking coupon shall have the date and time of commencement of parking motor vehicle.

(5) Any person using the smart parking mobile application system shall pay the prescribed parking charge through the online payment application and shall complete the correct information into the application including the name of the area, park and street, vehicle registration number, duration of time for parking motor vehicle, choosing the mode of payment and other features, if any, used in the application.

(6) Any person using a monthly pass shall comply with any provisions and conditions prescribed by the Council in connection with the usage of the monthly pass.

Controlled parking place

14. (1) Any person using a controlled parking place shall stop his motor vehicle at the entrance of the said place to enable the parking operator to record the particulars of the motor vehicle and the time of entry. The parking operator thereupon will provide to the driver of the motor vehicle a copy of the parking ticket and allow the driver to park his motor vehicle in the controlled parking place. It is the driver's reponsibility to retain the ticket which shall be presented to the parking operator at the exit gate of the controlled parking place and pay the parking charge to the parking operator.

(2) Any person using the controlled parking place with an electronic parking machine or barrier or any equipment or other system shall stop or reduce speed of his motor vehicle at the entrance of that place to enable the driver to park the motor vehicle in the controlled parking place. It is the driver's responsibility to make the payment of the prescribed parking charge at any stated payment station or through an online payment application before exiting the controlled parking place and it shall be the responsibility of the driver to produce any proof of payment for using a controlled parking place according to the prescribed method of payment if requested to do so.

(3) Any person who fails to show any proof of payment for using the controlled parking place to the parking operator or fails to pay for the parking ticket at the stated payment station as a result of losing or damaging the ticket when leaving the controlled parking place shall be deemed to have entered the parking place area at the time its being opened on the day in question and shall pay the charge for the time period calculated up till the time of exit.

(4) Any person who exits from a controlled parking place after it has been closed shall pay his parking charge, calculated from the time of his entry until the time of the closure of such controlled parking place, at any parking booth or at the Council office or through the online payment application or any other payment medium prescribed by the President from time to time within fourteen (14) days of such parking. If he fails to pay the prescribed parking charge within the said period, he shall be imposed with an excess charge of three times the normal parking charge to be payable within a further fourteen (14) days.

Operation area of coupon or paid parking place or controlled parking place

15. The parking system prescribed by the Council including the coupon parking system, smart parking mobile application system, controlled parking system and any parking system prescribed by the Council shall required to be used when parking a motor vehicle at the coupon or paid parking place or controlled parking place as specified in the First Schedule.

Mode of payment prescribed by the Council

16. Any person who parks a motor vehicle in a parking space at the parking place shall use parking coupon or online payment application or through an authorized parking agent appointed by the Council or the operating company or any other payment medium prescribed by the Council in the controlled times according to the fee and the specified type of parking place as stated in the First Schedule of this Order for any period it requires.

Issuing of parking coupon

17. The Council or the parking operator may issue and sell parking coupon to anyone who pays the fee as specified in the First Schedule.

Regulations and conditions for using parking coupon, smart parking mobile application or any parking system prescribed by the Council

18. (1) Any person using a parking coupon or smart parking mobile application issued or provided by the Council or the parking operator or any person authorized by the Council or any parking system prescribed by the Council to park motor vehicle in the parking space at the parking place shall comply with the regulations and conditions prescribed by the Council.

(2) Any person who fails to comply by the regulations and conditions stated under suborder (1) commits an offence.

Regulations and conditions for using the persons with disabilities parking space

19. (1) Any person using the persons with disabilities parking space shall be in possession of a "Kad OKU" or a copy of the card that has been issued in accordance with the Persons With Disabilities Act 2008 [*Act 685*] and the "Kad OKU" or a copy of the card shall be placed on the top of dashboard of the motor vehicle.

(2) Any person is not allowed to park motor vehicle in the persons with disabilities parking space unless the motor vehicle is used by a persons with disabilities or for the purpose of carrying persons with disabilities.

(3) Any person with disabilities who parks his motor vehicle in the persons with disabilities parking space shall make the payment of the prescribed parking charge in the First Schedule by either using a parking coupon or through an online payment application or any other payment medium prescribed by the Council for any period he wants.

(4) Any person using a persons with disabilities parking space shall comply with any regulations and conditions as specified by the Council in relation to the use of the persons with disabilities parking space.

(5) Any person who fails to comply suborders (2) and (4) is committing an offence and may be compounded and shall pay to the Council a sum of payment as stated in the Notice of Offence and Compounding Offer within twenty one (21) days from the date the notice is issued.

Parking places of motor vehicle

20. The driver or the owner of motor vehicle using parking coupon or smart parking mobile application or any parking system prescribed by the Council may park his motor vehicle in any parking space at the parking place except in a seasonal parking space or controlled parking place or temporary parking space or special parking space according to the permitted time duration as stated in the parking coupon or smart parking mobile application.

Method of displaying parking coupon

21. (1) The driver or the owner of motor vehicle, who use a parking coupon in the parking space at the parking place to park a motor vehicle, shall display the parking coupon on the dashboard of motor vehicle facing the windscreen and shall ensure that the view of the Enforcement Assistant or traffic warden or parking operator on duty shall not be hindered to enable him to check the parking coupon, at any time when the motor vehicle is parked in the coupon or paid parking place.

(2) The parking coupon that has been amended, altered, damaged, folded or scribbled is invalid for use.

Method of using smart parking mobile application

22. (1) The driver or the owner of motor vehicle may download smart parking mobile application at the App Store or Google Play application or Huawei AppGallery or any other application form in a smartphone, laptop, tablet or other mobile device or any website recognized by the Council.

(2) The driver or the owner of motor vehicle using the smart parking mobile application who park his motor vehicle in the parking space at the parking place shall first make a payment via online payment application and shall enter any required information including the area where the motor vehicle was parked at, vehicle registration number, the time duration of the motor vehicle being parked and payment options in the online payment application to enable users to park their motor vehicle in any parking space at the parking place.

Computing of motor vehicle parking time

23. (1) Where two or more coupons are displayed on a motor vehicle to cover the period during the motor vehicle is parked in a parking space at the parking place, the start time indicated in the second coupon or subsequent coupons shall be immediately after the expiration of the period of the motor vehicle is parked as indicated in the previous coupon.

(2) For a motor vehicle parked in a parking space at the parking place using the smart parking mobile application or any parking system prescribed by the Council, the period of parking the motor vehicle is subject to the period stated in the smart parking mobile application or parking system prescribed by the Council.

Commencement time

24. No person shall display or use or cause or permit to be displayed or used a parking coupon or smart parking mobile application or any parking system prescribed by the Council on a motor vehicle in which the commencement time of parking of the motor vehicle indicated thereon is later than the actual time of the motor vehicle being parked in the parking space at the parking place.

An offence of continuously parking motor vehicle after the expiration of prescribed time period

25. Any person who continuously park a motor vehicle in a coupon or paid parking place after the expiration of the parking coupon displayed on the motor vehicle or after the expiration of the time period for using the smart parking mobile application or any parking system prescribed by the Council which covered the amount of the payment or the prescribed time period or has exceeded the specified time period commits an offence.

Monthly pass

26. (1) The President may issue or direct any authorized officer to issue or direct to issue on his behalf a monthly pass in such form as may determined by him with the rate of payment not exceeding three hundred ringgit (RM300.00) per month, and the monthly pass, when issued shall permit the motor vehicle using such monthly pass to be parked at any parking space at the parking place except in seasonal parking space or special parking space or persons with disabilities parking space, without any additional charge.

(2) The President may issue or direct any authorized officer to issue on his behalf a free of charge of monthly passes to any person in the form as he may determine, and such monthly pass, when issued shall enable the motor vehicle using such monthly approval to be parked in any parking space at the parking place except in seasonal parking space or special parking space or persons with disabilities space.

(3) The monthly pass holder may use monthly pass issued by the Council within the Council area only.

Seasonal parking space

27. (1) The President may approve or direct any authorized officer to approve on his behalf of an application of the seasonal parking space in such form as may be determined by him with a payment not exceeding five hundred ringgit (RM500.00) per month, and the approval of the seasonal parking space, when issued shall permit the motor vehicle using such pass to be parked in the seasonal parking space that has been reserved for its use.

(2) The seasonal parking space user shall have the exclusive right at controlled times to use the parking space that has been reserved during the validity period of the seasonal parking space subject to the conditions stated under suborder (3) and the seasonal parking space user is prohibited from placing any goods or things other than the motor vehicle without prior written approval by the President.

(3) The seasonal parking space user shall be comply with the conditions prescribed by the Council. In case of failure to comply, the Council may cancel the seasonal parking space and the seasonal parking space user shall not be entitled to any refund paid under suborder (1).

Temporary parking space

28. (1) The President may authorize or direct to provide a temporary parking space in any place deemed appropriate to any person for business purposes or any other purposes for a permitted time period subject to such regulations and conditions prescribed by the Council from time to time.

(2) Any person permitted to use the temporary parking space shall pay a prescribed charge in the Fifth Schedule or any changes of prescribed charge specified by the Council from time to time.

(3) The temporary parking space holder shall be required to comply with the conditions specified by the Council. In case of failure to comply, the Council may cancel the temporary parking space and the temporary parking space holder shall not be entitled to any refund paid under suborder (1).

Limited period parking place

29. (1) Any person may park a motor vehicle in a limited period parking place as prescribed in the column (2) of the Sixth Schedule.

(2) Any person who parks a motor vehicle in a limited period parking place shall pay a prescribed parking charge as specified in the column (3) of the Sixth Schedule.

(3) Any person who contravenes suborder (2) commits an offence.

Condition and restriction for parking of motor vehicle at limited period parking place

30. (1) Any person who parks a motor vehicle in limited period parking place shall be subjected to the condition and restriction as prescribed by the Council as follows:

(*a*) the maximum period of using the limited period parking place is limited only to two hours or any maximum period prescribed by the Council from time to time;

(*b*) no extension of the time thereafter and the motor vehicle shall leave immediately after the expiry of two hours or any prescribed maximum period; and

(*c*) the motor vehicle is not permitted to stay in the limited period parking place after the maximum period prescribed in suborder (1)(*a*) ends.

(2) Any person who parks a motor vehicle at a limited period parking place exceeding two (2) hours or any other appointed maximum period commits an offence.

Enforcement of limited period parking place

31. (1) Any Assistant Enforcement or traffic warden or any officer authorized by the President or parking operator or any police officer or any other person acting under the President's direction, as the case may be may immediately tow, remove and detain the motor vehicle parked in limited period parking place contrary to orders 29 and 30.

(2) Any motor vehicle which has been towed, removed and detained under suborder (1) may be taken to any location or place determined by the President and left there at the risk of the owner of the motor vehicle.

Suspension of use of parking place or parking space

32. (1) The President may suspend the use of a parking place or parking space whenever he considers such suspension to be reasonably necessary—

(*a*) for the purpose of ensuring the smooth traffic flow or improving traffic safety;

(*b*) or the purpose of any construction work, demolition or excavation adjacent or near by to the parking place or parking space or the maintenance, improvement or reconstruction of the parking place or parking space or the laying, erection, alteration or repair in or adjacent to the parking space of any sewer or of any cable, pipe, main or apparatus for the supply of water, electricity or of any public utility in the parking place or parking space or adjacent or near by thereto;

(*c*) for the convenience of the occupiers of the premise adjacent or near by to the parking place or parking space on any occasion for the removal or delivery of goods from or to any such premises;

(*d*) on any occasion on which it is likely caused by some special attraction that any road will be thronged or obstructed;

(*e*) for the convenience of the occupiers of the premise adjacent or near by to the parking place or parking space at the time of holding official ceremonies or religious or other specific events including of weddings or funerals or other special occasions; or

(*f*) for any other reason as the President may think fit.

(2) On any suspension as specified in suborder (1), any officer authorized by the President may place or display a notice for that purpose at the parking place or parking space concerned or nearby to it and it shall be unlawful for any person to park any motor vehicle in such parking place or parking space except in relation to a purpose for which the suspension was made.

(3) Where any person requires the suspension of any parking place or parking space, an application for such suspension shall be made to the President stating the area of the parking place, the number of the parking space and the period of suspension required. The President may impose any payment to the person who caused the suspension at a rate determined by the Council and such person shall pay to the Council for the period of the suspension as specified in the Fifth Schedule.

(4) Any person or owner of a motor vehicle who fails to comply with the suspension instruction of a parking place or parking space is committing an offence and his motor vehicle may be towed or moved to a storage place or Council's storage depot or any storage place determined by the President and detained there at the owner's own risk.

(5) Any person or owner of a motor vehicle may claim his motor vehicle from the President within twenty-one (21) days from the date of motor vehicle was detained subject to any conditions imposed by the President and subject to the payment prescribed in the Seventh Schedule to this Order or any charges imposed by the President.

Obstruction and its removal

33. (1) No person shall—

(*a*) obstruct or cause to be obstructed any parking place or parking space; or

(*b*) park a motor vehicle, causing, allowing any motor vehicle to be parked or waiting on any land, building, road or any part of the road except in a parking space at the parking place provided by the Council.

(2) The Enforcement Assistant, parking operator, traffic warden or any officer authorized by the President, may tow, remove or detain any motor vehicle, motorcycle, any goods or things that—

(*a*) obstruct or cause to be obstructed any parking place or parking space;

(*b*) use any parking place or parking space for the purpose of carrying on any trade or business;

(*c*) use parking place or parking space to display motor vehicle for sale; or

(*d*) obstruct or cause to be obstructed any special parking space or persons with disabilities parking space.

(3) Any motor vehicle or motorcycle or any such goods or things which has been detained and removed shall be stored at the depot or any storage place determined by the President.

(4) The owner of motor vehicle or motorcycle or any such goods or things may claim the motor vehicle or motorcycle or any such goods or thing within twenty-one (21) days from the date of such removal and detention from the President after the expenses of removing and detaining the motor vehicle or motorcycle or any such goods or things has been paid to the Council.

(5) The President shall not be liable for any damage that occurs to the motor vehicle or motorcycle or any such goods or things whilst moving it and in the custody of the President.

Disposal of perishable goods or things

34. (1) The President may, at any time direct that any perishable goods or things which have been removed and detained under suborder 33(2) be disposed of or sold in such manner as by the President may determine and any revenues if sold out, may be claimed by the owner of any goods or things within a period of three (3) months from the date of disposal or sale after deducting all expenses incurred by the Council for the removal, detention and disposal or sale of such goods or things.

(2) If there is no claim after the expiry of the period stated under suborder (1), the proceeds of the sale shall be credited to the Council's revenue.

Disposal of motor vehicle, motorcycle, non-perishable goods and things

35. (1) The owner of the motor vehicle or motorcycle or any non-perishable goods or things that have been removed and detained under suborder 33(2), may within twenty one (21) days from the date of such removal and detention claim the motor vehicle or motorcycle or any goods or things from the Council after paying to the Council all the payment and any expenses incurred by the Council for the removal and detention.

(2) The President may prescribe any form and impose any conditions for making a claim for the release of any motor vehicle or motorcycle or any goods or things that has been detained.

(3) Upon receiving the claim under suborder (1), the motor vehicle or motorcycle or any goods or things may be released after the payment of fees for removal, detention and any other expenses inccured by the Council as prescribed in Seventh Schedule under this Order.

(4) If within a period of three (3) months no claim is made regarding the removal and detention as specified under suborder (1), the President may direct that the motor vehicle or motorcycle or any goods or things be sold or disposed of in accordance with the manner deemed appropriate by the President and all proceeds obtained thereof shall be credited to the Council's revenue.

Motor vehicle or motorcycle to be removed after twenty four (24) hours

36. (1) Notwithstanding the provision of the suborder 33(1), if a motor vehicle is parked continuously for more than twenty four (24) hours in a parking space at the parking place or in a controlled parking place or in a persons with disabilities parking space after the expiry of the period or the driver or the owner of motor vehicle fails to pay the prescribed parking charge or fails to display the parking coupon, the motor vehicle may be removed by the Enforcement Assistant or parking operator or traffic warden or any officer authorized by the President or any police officer from such parking space in the parking place or from the controlled parking place or from the persons with disabilities parking space and detained by the Council.

(2) Any motor vehicle removed under suborder (1) may be detained by the Council until all the parking charges due are paid by the driver or the owner of motor vehicle in respect of the use of the parking space at the parking place or controlled parking place or persons with disabilities parking space until the removal time of the motor vehicle from such place and all expenses incurred by the Council in removing and detaining the motor vehicle shall be payable to the Council.

(3) Any motorcycle that has been parked continuously for more than twenty four (24) hours in the motorcycle parking place shall be removed from that parking area by the Enforcement Assistant or parking operator or traffic warden or any officer authorized by the President or any police officer and detained by the Council. The rider or owner of the motorcycle shall pay all fees due and all expenses incurred by the Council in removing and detaining the motorcycle to the Council.

Exempted motor vehicle

37. This Order does not apply to—

(*a*) any ambulance or fire engine or any motor vehicle used by the army, police or post office or relevant authority;

(*b*) any motor vehicle used by any authority authorized by or under any written law, or under any order having the force of any written law, to construct, erect or carry out electricity, water or other public works, in so far as such motor vehicle is being used to construct, erect or carry out of such work thereon; and

(*c*) any motor vehicle which has been directed to a parking space in other parking place by a uniformed Police Oficcer in course of his duty.

Power to remove and detain by the President

38. (1) If a motor vehicle—

(*a*) is parked in any parking space at the parking place without displaying a parking coupon or without using smart parking mobile application or without having a valid monthly pass or not a valid seasonal parking space user except any motor vehicle that has been exempted by from this Order;

(*b*) has been left in a parking space at the parking place for more than twenty-four (24) hours and the parking coupon or smart parking mobile application indicates that the motor vehicle parking period has expired; or

(*c*) commits anything in contravention of any provisions under this Order;

then the President or Enforcement Assistant or traffic warden or any officer authorized by the President or parking operator or any Police Officer may direct the motor vehicle to be moved from the parking space at the parking place to a safe place and detained there until the release order from the President or any authorized officer is received.

(2) The President or Enforcement Assistant or traffic warden or any officer authorized by the President or parking operator or any Police Officer may detain such motor vehicle until the prescribed charges for the unpaid period until the time the motor vehicle is removed from the parking space at the parking place and all reasonable expenses incurred in carrying out the provisions of this Order has been paid to the Council.

(3) The President shall not be liable for any damage to the motor vehicle or for any loss or damage to the equipment or contents of any motor vehicle removed and detained by the President under the provisions of this Order.

Safety of motor vehicle or other motorcycle

39. The driver or motor vehicle owner should drive motor vehicle or ride motorcycle in prudent manner when entering or exiting from the parking space or motorcycle parking place.

No refund of excess parking fee

40. (1) Any person who has removed his motor vehicle from a parking space before the expiry of the parking period allowed to park the motor vehicle shall not be entitled to claim any excess parking fee that has been paid for the excess time that is not used.

(2) Any person who has parked a motor vehicle in a parking space and removed his motor vehicle from that parking space before the expiry of the permitted time period may re-park his motor vehicle in any other parking space except in a seasonal parking space or special parking space or persons with disabilities parking space until the expiry of the allowed period. This usage is allowed only in the Council area.

Prohibition of repairing motor vehicle or motorcycle

41. No person shall repair or permit any motor vehicles or motorcycles to be repaired in a parking space at the parking place or at the motorcycle parking place.

Prohibition of washing or cleaning motor vehicle or motorcycle

42. No person shall wash or clean or cause or permit to be washed or cleaned any motor vehicle or motorcycle in a parking space at the parking place or at the motorcycle parking place.

Prohibition of directing driver to park motor vehicle at parking place without lawful authority

43. If any person, except by lawful authority, is in the parking place for the purpose of urging any other person in respect to the care or washing of a motor vehicle, or for any other purpose directing any driver of a motor vehicle in respect of parking a motor vehicle in the parking space at the parking place, commits an offence.

Unattended or damaged motor vehicle

44. (1) Motor vehicle in a parking space at the parking place shall not be left unattended unless the said motor vehicle cannot be removed by using the brakes or any other sufficient means.

(2) Any damaged motor vehicle cannot be left unattended in a parking space at the parking place and shall be removed immediately.

Person allowed to be in parking space at the parking place

45. No person except an Enforcement Assistant or traffic warden or parking operator or any officer authorized by the President or the owner or driver or passenger of a motor vehicle parked in a parking space at the parking place or persons with disabilities parking space may remain or stay in such parking space or persons with disabilities parking space.

Prohibition of trading, business or hawking

46. Without the permission of the President, no person may park or use any motor vehicle in a parking space at the parking place or motorcycle in the motorcycle parking place for the purpose of carrying of any trade, business or hawking.

Prohibition of displaying sale advertisement at vehicle

47. No person shall park or display any notice or advertisement on any motor vehicle or motorcycle for the purpose of selling the vehicle while the vehicle is parked in a parking space at the parking place or in a motorcycle parking place or using a motor vehicle or motorcycle parked in a parking space at the parking place or motorcycle parking place other than for the purpose of parking the said motor vehicle or motorcycle.

Responsibilities of the registered owner of a motor vehicle or motorcycle

48. In cases of contravention or non-compliance with any provisions of this Order, the registered owner of the motor vehicle or motorcycle shall be presumed to have contravened or failed to comply with the provision or such provisions if the person (i.e. not being the registered owner of the motor vehicle or motorcycle) who actually contravened or failed to comply with such provision or the provisions are unknown or not found.

Provision of the signboards

49. The President shall provide one or more signboards at each parking place indicating the enforcement of coupon or paid parking place and may erect any signs and signals as he deems necessary to direct or regulate motor vehicle within the parking place area.

Exemption from liability to any loss, losses or damage

50. The President or Enforcement Assistant or traffic warden or any parking operator or any officer authorized by the President shall be exempted from liability and shall not be responsible for any loss, losses or damage to any motor vehicle or motorcycle or to the equipment or contents of such any motor vehicle or motorcycle while being parked in any parking space at the parking place or in enforcing of this Order.

Prohibition from removing notice or reminder

51. No person other than a person authorized by the President shall remove or cause to be removed any notice or reminder issued by any Enforcement Assistant or traffic warden or parking operator or any authorized officer by the President affixed in front of the windscreen or any conspicuous part of a motor vehicle or motorcycle that is easily visible while the motor vehicle or motorcycle being parked in any parking space at the parking place or in a motorcycle parking space.

Emergency

52. In an emergency, any Enforcement Assistant, traffic warden, parking operator or any officer authorized for that purpose by the President or any uniformed police officer may remove or cause to be removed any motor vehicle left in any parking space at the parking place to any place deemed appropriate.

Other offences

53. It shall be an offence for any person who—

(*a*) park a motor vehicle that may obstruct a fire hydrant;

(*b*) park a motor vehicle on the sidewalk or footpath area;

(*c*) park a motor vehicle in a seasonal parking space without permission of the valid seasonal parking space pass holder;

(*d*) park a motor vehicle in a parking space at the parking place other than the type specified;

(*e*) park a motor vehicle outside of the parking space at the parking place;

(*f*) displaying an invalid parking coupon while parking a motor vehicle in a parking space at the parking place;

(*g*) park a motor vehicle in a special parking space for the usage of fire engines or Tenaga Nasional Berhad (TNB) or obstructing or causing the obstruction of fire hydrant or Tenaga Nasional Berhad (TNB) switch box;

(*h*) park a motor vehicle that may obstruct or cause to be obstructed of any persons with disabilities parking space;

(*i*) without the permission of the President, use any parking place or parking space for any activities;

(*j*) obstructing or causing to be obstructed any parking place or parking space where a tent, barrel, roro, building material, ramp or any goods are placed in the parking place or parking space without the written permission of the President;

(*k*) park a motor vehicle in any back lane, road shoulder, road reserve, roadside, any open land used as a parking place or public place accessible to the public; and

(*l*) collect any payment in any parking space at the parking place outside the controlled hours as specified in column (6) of the First Schedule of this Order.

Power to compound an offence

54. The President or any Council officer authorized by the Minister under order 120(1)(*e*) of the Road Transport Act 1987 [*Act 333*] may, with the written consent of the Public Prosecutor, compound any offence committed under this Order.

Offer to compound

55. (1) Any person who breaches or fails to comply any provisions of this Order commits a compoundable offence and shall pay to the Council a sum of fee as specified in the Notice of Offences and Offer To Compound within twenty-one (21) days from the date of issuance of the notice as in the Fourth Schedule and duly served to him by the Enforcement Assistant or traffic warden or parking operator or any authorized officer by the President.

(2) The President or any Council officer authorized by the Minister may by his discretion, with the written consent of the Public Prosecutor, compound any offence committed under any provision of this Order by obtaining a payment of the amount not exceeding the amount specified under suborder (7).

(3) Compound payment shall be paid in the form of cash, credit or debit card, postal order, money order, bank draft or through an online payment application or any payment medium used by the Council payable to the Pengerang Municipal Council. The payment may also be made through any other means or medium determined by the President from time to time.

(4) The payment may be made at the Council Headquarters or at any Council branch office determined by the President, but if the payment is made by post, it shall be addressed to the President, Pengerang Municipal Council.

(5) Each payment received shall be regarded as the Council's revenue and an official receipt shall be issued to the person who accepted the offer to compound.

(6) Upon payment of the said amount being made, no further action shall be taken against the person conserned regarding the offence.

(7) Subject to the types of offences, each offence committed under this Order may be compounded with a fee not exceeding three hundred ringgit (RM300.00).

(8) If at the time of any such offence is committed, the owner of the motor vehicle or motorcycle is not driving the motor vehicle or riding motorcycle, it shall be a responsibility of the owner of the motor vehicle or motorcycle to provide the President the information and details of the driver of the motor vehicle or motorcycle adequately.

(9) Subject to order 57, if the driver or owner of the motor vehicle or motorcycle fails to pay the payment as specified in this Order within the appointed time, the President or an authorized officer by the President may initiate prosecution against the driver or owner of the motor vehicle or motorcycle in the relevant court.

Service of notice

56. (1) Any notice, order, compound or any document required to be given or served under this Order, may, unless any other method of service is prescribed, be served to the driver or owner of the motor vehicle or motorcycle as follows:

(*a*) by personally delivering a copy of the notice, order, compound or any original document personally to the person;

(*b*) by affixing a copy of the notice, order, compound or any other document in any conspicuous part of the house or in any other place where the driver or owner of the motor vehicle or motorcycle usually resides;

(*c*) by affixing a copy of the notice, order, compound or any such document on any part of the motor vehicle or motorcycle that is easily visible to the driver or owner of the motor vehicle or motorcycle; or

(*d*) by sending the notice, order, compound or any other document by registered post.

(2) If a notice, order, compound or any document is delivered by registered post, it shall be deemed to have been delivered on the following day of the notice, order, compound or any document should have been received, in the normal course of the post, if the notice, order, compound or any other document is addressed to—

(*a*) in the case of a company incorporated in Malaysia, to the registered office of the company;

(*b*) in the case of a company incorporated outside Malaysia, either to an individual authorized to receive service of the process under the Companies Act 2016 [*Act 777*], at the address filed with the Registrar of Companies or to the company registered office, wherever located; or

(*c*) in the case of an individual or group of person, to a private address kept in the register of the Director under sections 8 and 27A of the Road Transport Act 1987 [*Act 333*].

(3) If a person to whom addressed a registered letter containing any notice, order, compound or any document that may be given under this Order is informed of the fact that there is a registered letter for him at the post office, and that person refuses or neglects to take such registered letter, notice, order, compound or any other document shall be deemed to have been served to him on the date when the person was duly informed as such.

Prosecution

57. (1) Any officer authorized in writing by the Public Prosecutor may prosecute any offence committed under this Order.

(2) No prosecution for an offence under this Order may be instituted except by or with the written consent of the Public Prosecutor.

Penalty

58. Any person who contravenes any of the provisions of this Order commits an offence under subsection 72(7) of the Road Transport Act 1987 [*Act 333*] and upon conviction, be liable to fine not exceeding three hundred ringgit (RM300.00) and apart from that shall pay to the Council any other payment due and payable under any provision of this Order.

Form for Notice of Offence and Offer to Compound

59. The form in the Fourth Schedule under this Order shall be used to make a Notice of Offence and Offer to Compound but may be modified as necessary.
